STIPULATION

IT IS HEREBY STIPULATED by and between all counsel that, subject to Court approval, the deadline for the parties to file a combined joint status report and exchange initial disclosures shall be extended from October 15, 2017, to November 17, 2017.

All Defendants in this action have moved to dismiss the Plaintiff's First Amended Complaint in full. The parties have completed briefing the matter, and the motions to dismiss are currently pending before the Court. The Court's ruling on these motions could affect the scope of the litigation, including whether the case proceeds; what information will be relevant in exchanging initial disclosures; and what the parties will need to focus on in drafting the combined joint status report. Subject to Court approval, therefore, the parties have stipulated to an extension of that deadline by approximately 30 days. There is good cause for the stipulation, as the Court's ruling on the currently pending motions may resolve the litigation or narrow the scope of relevant information. If the Court approves the parties' stipulation, the deadline for the parties to exchange initial disclosures and file a combined joint status report shall be November 17, 2017.

For the above reasons, and subject to Court approval, the parties hereby agree and stipulate that the deadline for the filing of a combined joint status report and exchange of initial disclosures shall be extended to November 17, 2017.

IT IS SO STIPULATED.

DATED this 5th day of October, 2017.
